Dear Mr. Congrove:

Thank you very much for your letter of 20 January requesting that I tape record a statement to be used in the Orange County School of Anti-Communism.

I sincerely regret that I will be unable to participate in your program. As you can appreciate, I have quite a problem about the question of speaking since my job here is a silent rather than a speaking one. However, I want to let you know how much I appreciate your courtesy in writing to me as you did and I am sorry that my reply cannot be more favorable.

With kindest regards,

Sincerely,

Dear Mr. Dulles:

Enclosed is a program of the Orange County
School of Anti-Communism.The school would appreciate the honor of
hearing from you. If possible, could you
tape record a few minutes of introduction
to the "students"? We will arrange the
set-up near your office, to take as little
of your time as is possible.If you should be in the area during the
school, and would feel inclined to say a
few words at the school, be assured that
everything else will be cancelled to hear
you.Thank you very much for your present efforts
in fighting Communism and Communists. It is
hoped that the knowledge our school will give
to Orange County residents will make your
work just that much easier.

Sincerely,

Thomas A Cosgrove
